CREATE / CAPTURE / CONNECT

Your work. Ready to post.

Three short videos from your existing phone footage.

INTRODUCTORY PACKAGE

A$179 total

What you get

3 vertical videos

15-30 seconds each, supplied as MP4 files.

Clear on-screen text

A hook, service details and your contact call to action.

One revision round

One consolidated set of changes across the package.

You supply

5-10 clips or photos you have permission to use, your logo, contact details and the service you want to promote.

How we work

Agree the brief and delivery date first. Review a watermarked preview; pay the agreed A$179 before receiving the final files.

Editing only. Filming, posting and paid ads are not included.
Logo and suitable music included. A$179 total; no added GST charge.

Ask Chris for the sample
